

## Mangal Speed Bumps & Rumpers

**Mangal Speed Bumps & Rumpers** are made of rubber. It has high resistance to severe impacts and brutal weather conditions. Its modular design makes it quick and easy to install. Its design incorporates interlocking system, which binds it perfectly. Round edge at both the ends of speed bumps provide it smooth edge & shape.

The pre-colored material (Black/Yellow) provides it permanent coloring and there is no need of painting it again & again.

\* For night vision reflectors and glass elements are fixed on both the side of the speed bumps and rumpers. \* Speed Bumps and Rumpers are ideal for installation in the city area, private colonies, hospitals, schools, other campus security check posts, parking areas, loading areas, etc.

### SPEED BUMPERS & RUMPERS:

Speed Bump DA 1001

Speed Bump DA 1002
